WHOLE JOURNEYS · PARTIALLY GUIDED WALKING

Slovenia: Julian Alps and Soča Valley

Eleven nights in four comfortable bases, with optional extra nights, June 16 to 27, 2027: Ljubljana, Lake Bohinj, Kranjska Gora and Bovec. Each base has a day of walking from the door or a short transfer, with guided days for the bigger mountains, and a free day in Bovec. Where a day has two options, you choose. Everything here is a suggestion, and the hiking and driving times are approximate until the hotels and routes are confirmed.

Four bases, three hotel changes
Private transfers carry you and your luggage between them.

Guided and independent
Our local guide leads the Vršič, Soča and Drežnica days; others are self-guided with clear route notes.

Paced for you
Walks run from 1 to 4 hours, with one longer option on June 20 and a free day on June 24. Most can be shortened or extended on the day, working with your guide.

The four bases

2 nights **Ljubljana, June 16 to 18**
Arrive, old town, castle, market and an optional history tour.

3 nights **Lake Bohinj, June 18 to 21**
Stop at Lake Bled on the way. Mostnica Gorge, then Vogel or the Seven Lakes.

Jun 18
Fri

Ljubljana, Lake Bled and Bohinj

Activities: About 2 to 3 hours around Lake Bled.

Transfers: Ljubljana to Bled about 45 to 60 minutes. Bled to Bohinj about 30 to 40 minutes.

Sun

Vogel or the Seven Triglav Lakes

Sleep: Bohinj

Two options for the day. Choose the one that suits your energy.

Option A: Vogel

Walking: About 2 to 4 hours, depending on the trail.
Guiding: Self-guided on a well-marked route, subject to conditions.

Option B: Seven Triglav Lakes Valley

A full-day mountain hike for a bigger adventure. From earlier itineraries we estimate about 2,700 ft of climbing, which is within your limit but a long day. Snow can linger in June, so we confirm conditions in spring.

Walking: About 6 to 8 hours or longer, depending on the route and start.
Guiding: Local mountain guide recommended.

Jun 21
Mon

Transfer to Kranjska Gora

Jun 22
Tue

Slemenova Špica

Sleep: Kranjska Gora

A guided hike from Vršič Pass to Slemenova Špica, with spectacular views of Mount Jalovec and the Julian Alps. A wonderful alternative to the longer, more demanding walk from Kranjska Gora toward Trenta.

Hiking: About 3 to 4 hours, around 5 to 6 km, with about 300 to 400 m (1,000 to 1,300 ft) of climbing.

Transfer: Kranjska Gora to Vršič Pass, about 25 to 35 minutes each way.

Guiding: Personally guided by Jana.

Jun 23
Wed

Vršič Pass, Soča Trail and Bovec

Sleep: Bovec

A private transfer over Vršič Pass with scenic stops, then a walk along the Soča Trail on the way to Bovec. Two options, depending on how much walking you want. Either way, your luggage goes ahead to Bovec.

Option A: Soča gorges (shorter)

A shorter hike along one of the most beautiful sections of the Soča Trail, the Small and Great Soča Gorges (Mala korita and Velika korita). Continue to Bovec and check in. Allow about 5 to 6 hours for the full day.

Hiking: About 2 to 4 hours, depending on the sections chosen.

Transfer: Kranjska Gora to Bovec via Vršič, about 1 hour 15 minutes to 1 hour 40 minutes of driving, not counting stops.

Guiding: Personally guided by Jana, with private transport and luggage transfer.

Option B: Walk from Trenta (longer)

Start in Trenta, the valley on the south side of Vršič, and follow the Soča Trail down the river toward Bovec. The full Trenta to Bovec stage is about 21 km and 4 to 5 hours of walking. We can shorten it on the day by joining or leaving the trail at a road crossing, and the guide will advise on the best sections, including the gorges.

Hiking: Up to about 21 km and 4 to 5 hours for the full stage, or a shorter section of your choice.

Transfer: Kranjska Gora to Trenta over Vršič, then a private pick-up on the trail for Bovec. Driving times to be confirmed with Jana.

Guiding: Guided by Jana, with private transport and luggage transfer.

Jun 24
Thu

A flexible day at your own pace: rafting on the Soča River, a short scenic walk, exploring Bovec, or simply relaxing at the hotel.

Transfers: Usually arranged by the activity provider; other local transfers as needed.

Jun 25
Fri

Kozjak Waterfall and Drežnica

Sleep: Bovec

A private transfer to Kobarid, then a scenic walk to Kozjak Waterfall. Continue to Drežnica, a mountain village beneath Mount Krn, with optional extra walking around Drežnica or Koseč. For a traditional local meal, Tourist Farm Kranjc in Koseč, subject to availability and arrangement.

Hiking: About 2 to 4 hours in total, depending on the extra walking.

Transfers: Bovec to Kobarid 20 to 25 minutes. Kobarid to Drežnica 15 to 20 minutes. Drežnica to Bovec 35 to 45 minutes.

Guiding: Personally guided by Jana.

Jun 26
Sat

Kolovrat Ridge or the Tolmin Gorges

Sleep: Bovec

Two options for the day. Jana's first recommendation is Kolovrat.

Option A: Kolovrat Ridge

The WWI Open-Air Museum, with preserved trenches and military positions, and panoramic views over the Soča Valley, the Julian Alps and Italy. A longer scenic ridge walk is possible. The museum site closes in bad weather.

Walking: About 2 to 4 hours.

Transfer: Bovec to Kolovrat, about 50 to 65 minutes each way.

Guiding: Personally guided by Jana.

Option B: Tolmin Gorges

A shorter, nature-focused excursion that leaves more time to relax in the afternoon.

Walking: About 1.5 to 2 hours.

Transfer: Bovec to the Tolmin Gorges, about 40 to 50 minutes each way.

Guiding: Self-guided with private transfers, or guided if you prefer.

Jun 27
Sun

Departure

A private transfer from Bovec to Ljubljana Airport or to Venice Marco Polo Airport.

Bovec to Ljubljana Airport: About 2 to 2.5 hours.

Bovec to Venice Marco Polo: About 2 hours 15 minutes to 2 hours 45 minutes.

Optional extra nights for more relaxation

Each extra night adds a day with no schedule. Choose any, or none. The dates shift by one day for each night you add.

An extra night in Bohinj

A second lake day: a boat on the lake, a swim, Savica Waterfall or a long lunch by the shore. You stay at the same hotel.

An extra night in Kranjska Gora

A slower pass week: Planica and the Tamar Valley, Lake Jasna and Zelenci at your own pace before the guided Slemenova Špica day.

An extra night in Bovec

A second free day on the Soča: rafting one day and an easy river walk or a rest the next.

Nights in Kobarid or Drežnica
